

**TOOL CARD**

**Student Vision plans**

<b>Objectives</b>	<ol style="list-style-type: none"><li>1. to define clearly one's goals and vision for the students</li><li>2. to be accountable</li><li>3. to be able to track students' progress</li></ol>
<b>Target</b>	Teachers, Pupils
<b>When</b>	At the beginning of the school year
<b>Methodology and timing</b>	<ol style="list-style-type: none"><li>1. Initially, the teacher gets to know their students (approx. First two weeks/ month of the school year including testing)</li><li>2. Teacher decides on their priorities for each class and draws up SMART goals for each area.</li><li>3. Teacher also defines how they will track their students' progress</li><li>4. And also plans activities that will be conducted thorough the school year to achieve these goals</li><li>5. Teacher reflects on the effectiveness on their methods regularly during the school year (whether the goals are being met) - if not, they update their Student Vision</li></ol>
	
<b>Advices</b>	<ol style="list-style-type: none"><li>1. In every case, an effective reflection of one's methods is key</li><li>2. It is advised to consult one's vision with colleagues and other school staff</li><li>3. It is a great tool to share with parents and students.</li></ol>
