

TOOL CARD

Authentic experience

Objectives	<ol style="list-style-type: none">1. to get a direct community experience2. to reflect together3. to bond over a shared experience
Target	Teachers, Tutors, Mentors
When	Whenever needed, at least once a school year
Methodology and timing	<ol style="list-style-type: none">1. Teacher and Tutor/Mentor at first decide on the scope of their visit and their goals2. Both partners plan their visit beforehand, agreeing on the term with their links in the community3. Partners visit the community and follow their visit plan.4. After the visit, they both reflect on their experience - they write down the most important points and/or answers to the questions in the visit plan5. Next step is discussion about their experience.6. Partners record their most important findings and next steps they agreed on for future use.
	
Advices	<ol style="list-style-type: none">1. Ensure that the visit in the community is strengthening relationships on both sides2. Keep in mind positive approach and required welcoming nature of the visit.
