

Support TOOL CARD

Class observation and debriefing

Objectives	Observe a teacher lesson and debrief with him after
Target	Beginning teacher
When	During an observation
Methodology and timing	<p>Observe Teaching Techniques such as:</p> <ul style="list-style-type: none"> - the post-it (objective of the lesson), - the strengths (use of teaching techniques, as pacing, circulate, rigor, praise etc.) - the improvements (teaching techniques not used) - End of the lesson (Exit ticket) <p>During debrief:</p> <ul style="list-style-type: none"> - conversation about the lesson and what the tutor observed - Question about the initial objective: how does the teacher know he reached it ? <p>Conclusion : the next steps</p>
Advices	Tutor and teacher use the same words to describe teaching techniques.
