

TOOL CARD

Cooperation with advanced schools

Objectives	<ol style="list-style-type: none"> 1. to fast track and formalize sharing of good practices 2. to build lasting relationships with quality educators in the region 3. to share common problems and build ways to overcome them together
Target	School leadership
When	[N/A]
Methodology and timing	<ol style="list-style-type: none"> 1. Decide on the scope of the cooperation - how wide and intensive it should be. Most recommended criteria are duration, people involved, frequency of contact 2. Agree on the shared goals. Make sure they are SMART. 3. Set the way of tracking schools' progress. 4. Highlight areas in which partner school is advanced and how you are going to focus on using this know how.
	
Advices	<ol style="list-style-type: none"> 1. Be as specific as possible - mostly in the good practices your school can use and benefit from 2. Make sure to build your partnership on trust and shared goals, not on formalized approach.
