

Teacher Support | Best Practice

How can you find out which topics are currently most relevant to your staff and how can you create a need-oriented training accordingly?

Educational Circles

(provided by 121. Grundschule "Am Palitzschhof", Dresden - Germany)

- organized by the staff council and selected colleagues
- contents set by the staff themselves
- exchange of educational, methodical and didactic topics
- each colleague can join for those topics that interest him/her
- external specialists can be invited if needed
