

TOOL CARD

Model lessons

Objectives	<ol style="list-style-type: none">1. to demonstrate standards in subject teaching2. to exchange good practices between subject teachers
Target	Same subject teachers
When	During adaptation of new teachers / thorough school year
Methodology and timing	<ol style="list-style-type: none">1. Same subject teacher conduct model lesson for each other2. They share these experiences and then further elaborate on standards that emerged3. It is good for a new teacher to attend model lessons4. It is also advised to use this tool when teachers need to come up with a new practice / adapt to new circumstances (eg. new learning materials, different curriculum etc)
	
Advices	Teacher should be a good team and cooperate not shame each other
